

Electro Saudi Services How To Find Us

Tel: 419-2016

The Electro Saudi Services' Head Office is located 1KM from Kingdom Tower on the Aruba Road and diagonally opposite Euromarche Shopping Centre.

When driving down Aruba Road, towards Euromarche, stay in the right hand slip road until you reach the last gate near the end corner (photo above). The sign reads "ZEEM CORPORATION".

If this gate is unmanned, there is another gate on the opposite side of the complex
